LONDON DRY GIN
HANDCRAFTED
WITH MEDITERRANEAN BOTANICALS
LOST LAKE
DISTILLERY
Proudly Distilled in Patra Greece
In the heart of Greece,
beneath the shadow of Mount
Helicon, a gin was forged – not in
theory, but in fire and metal.
The Mechanic is a tribute to
the unknown craftsman:
the the one who built
the copper still by hand,
who once drained the great
Lake Copais with grit and iron,
and now shapes spirits with precision.
It's not just about distillation.
It's about design. Balance. Control.
Built, not just distilled.
Selected Botanicals
the
mechanic
London Dry Gin
